Dear Allen -

It was most thoughtful of you,
with the problems you are facing, to
write me that note about Ellen. She was so
fond of you and Clover. You were of the
little group which made us love our times in
Washington. The thoughts of friends help a lot
at a time like this.

Yours,

STAT

Dear Allen -

It was most thought of you, with the problems you are facing. I wrote the flat note about Ellen. She was a friend of yours and Clovers. You were a the leftists group which made us have our times in Washington. The thought of friend helps a lot at a time like this.
